

Curriculum Vitae

Alexander Kurota

Principal Investigator/Southwestern Ceramics Analyst

Address: UNM Office of Contract Archeology
1717 Lomas Boulevard, NE, Albuquerque, NM 87131-0001
Telephone: 505-236-3923 (cell)
E-mail: akurota@unm.edu

SCHOLARLY GROUPS MEMBERSHIP

Research Associate, Jornada Research Institute
Editorial Board Member, Pottery Southwest

EDUCATION

1999 M.A. in Anthropology, Department of Anthropology, Wichita State University, Wichita, Kansas.
1995 B.A. in High School English Education, University of Konstantin the Philosopher, Nitra, Slovakia.

WORK EXPERIENCE

Project Director/Co-Principal Investigator, Office of Contract Archeology, University of New Mexico
Responsible for: (1) overseeing from start to end the entire course of archaeological projects such as surveys, test excavations, and full-scale data recoveries; (2) supervising simultaneously multiple archaeological field crews on projects with up to \$900,000 budgets; (3) preparing proposals and research designs for competitive bids, (4) supervising multivariate artifact and other specialized analyses; (5) consultation with private, government (state and federal) and tribal clients about project logistics, mitigation of site damages and recommendations on site eligibility to the State or National Register of Historic Places.

Additional experience includes working with lead teams for construction projects related to natural gas, oil Pipelines, buried water and sewer lines, and other utility lines. Also cooperated on consultation with clients, state and federal agencies including the BLM, NM DOT, New Mexico State Land Office, White Sands Missile Range, White Sands National Monument, United States Forest Service, Pecos National Historic Park, the New Mexico's Historic Preservation Division office and the native tribes on re-routing archaeological sites, treatment of Human remains and ceremonial sites, and preparation of work plans for damage assessments at archaeological sites.

Highly experienced in identifying cultural resources including ash stain and rock alignment features, adobe melt structures both on the surface and in buried contexts such as in trench lines and burrow pits. Highly experienced in understanding soil stratigraphy and identifying potential sources of modern disturbance and the impacts of construction, bioturbation and erosion.

ANALYTICAL EXPERIENCE

Senior Ceramic Analyst, Office of Contract Archeology, University of New Mexico
25 years' experience in analyzing Southwestern ceramics

ARCHEOLOGICAL EXPERIENCE

February 2003- Present Office of Contract Archeology, University of New Mexico Surveys (OCA)

Co-Principal Investigator: Survey of Parabolic Dunes at Guadalupe Mountains Natl. Park, TX, Oct. 2020

Co-Principal Investigator: Survey of Caves and rock shelters in Guadalupe Mountains, NM, June 2020

Co-Principal Investigator: Site Identification along Tank Trails, White Sands Missile Range, Jan. 2018.

Co-Principal Investigator: Survey of Paleo Shoreline at Lake Lucero, White Sands National Monument, November 2017.

Co-Principal Investigator: Survey of Lake Lucero Site, White Sands National Monument, November 2017.

Co-Principal Investigator/Project Director: Archaeological Survey of 1995 acres on Sandia Ranger District, Cibola Natl. Forest, Sandoval Co. NM, June 2017.

Co-Principal Investigator Archaeol. Survey of 453 Acres on BLM land, Otero County, NM. August 2016.

Project Director: Archaeological Survey of Tank Trail Sites, Otero and Dona Ana Counties, White Sands Missile Range, August 2013

Crew Chief/Project Director: Class III Survey for MAPL WEP III project.in McKinley, Sandoval, Torrance, Chaves, and Lea counties, 2012.

Project Director: Class III survey of 134 acres for mining exploration, Star Late area, McKinley Co., 2012

Project Director: Class III survey of 14 acres of NMARNG Training Center in Carlsbad, NM. 1 historic irrigation system site recorded, 2 days in November 2011

Project Director: Class III survey of Springer Reservoir, Colfax County, NM. Documented 2 sites, 2 days in May 2011

Project Director: Class III survey of 2 alternative parcels proposed for US CBP station in the Animas Valley, Hidalgo County, NM, Documented 3 sites, 2 days in December 2010 and February 2011.

Project Director: Class III survey of cell tower improvements at the Dark Canyon tower site on Guadalupe Ridge, Eddy County, NM. Documented 1 site, December 2010.

Project Director: Class III survey of 22 cell tower improvements at various locations in southwestern and southeastern New Mexico. Documented 2 sites, October--December 2010.

Project Director: Class III Survey of Cañoncito Subunit of the Glorieta Unit, Pecos National Historical Park. Documented 15 sites, October 2010

Project Director: Class III Survey of two Alternative Parcels for US Customs and Border Protection near Las Cruces. Documented 13 sites, July 21-24, 2010.

Project Director: Class II Survey of Parabolic Dune Field at White Sands National Monument, NM. Discovered 35 Archaic, Formative and Protohistoric sites. February-March 2010

Crew Chief/Project Director: Survey of proposed vehicle fence corridors, access roads and staging areas on and near the US-Mexico border in the Boot Heel region of New Mexico, HV5-8. Documented over 100 new and previously recorded sites. March-June, and November 2008 - January 2009.

Crew Chief/Project Director: Survey of proposed vehicle fence corridors, access roads and staging areas on and near the US-Mexico border in the Boot Heel region of New Mexico, HV1-3. Documented over 100 new and previously recorded sites. March-June 2008.

Crew Chief/Project Director: Survey of 207 Acres for UNM Rio Rancho Campus, Sandoval County, New Mexico. Discovered 18 sites. Five days in September 2008.

Crew Chief: Survey of 261 acres on and near the US-Mexico border near Santa Teresa Station JV1-3, Dona Ana County. Documented 11 new and 6 previously recorded sites. Four days in June 2008.

Crew Chief: Survey of 9.2 km of proposed vehicle fence corridor near Antelope Wells HV4. Discovered four sites. Two days in March 2008.

Project Director: Survey of 40 Acres for CNM Rio Rancho Campus. Six sites discovered, two days in February 2008.

Project Director: Assessment of cultural resources at Pueblo Blanco (LA 40), La Cieneguilla Pueblo (LA 16), and Paa-ko Pueblo (LA 162) Three days in February 2008.

Project Director: Survey of Proposed Long Wavelength Array Dipole Stations within the Plains of San Augustin. One site discovered, two days in January 2008.

Project Director: Survey of 1.5 Acres of Cibola National Forest Road near Datil. Four sites discovered, two days in December 2007.

Project Director: Survey for Proposed 18.5 Acres of Anthony-Berino Business Park on Private Land Along Highway I-10. Two-crew survey of 18.5 acres, 2 sites (Jornada Mogollon and Archaic) discovered near Anthony, Dona Ana County, October 11, 2007.

Project Director: Survey of 1.2 acres on private land along Highway NM 6 in Los Lunas, Valencia County. No cultural resources discovered, one day in August 2007

Project Director: Survey of proposed Long Wavelength Array dipole stations on New Mexico State Trust Land along Highway 60. No cultural resources discovered, one day in July 2007.

Project Director: Survey and Testing for Proposed Hatch Dam and Flood Pool Construction. Supervised one-person crew for survey of 70 acres and testing at 4 Historic and Formative period sites in Hatch, Dona Ana County in April 2006. Authored final report.

Crew Chief: Survey of TUA near MP 158, NMPP, Sandoval County. February 2006 (1 day)

Supervised 1-person crew for a survey of 3.63 acres of land, no sites were discovered, one day in February. Authored letter report.

Project Director: Pueblo Blanco Survey, Galisteo Basin, October-November 2005 (7 days)

Supervised 3-person crew for a Class III survey of 435 acres within and around Pueblo Blanco, Santa Fe County. Discovered 36 sites primarily related to agricultural subsistence of the Pueblo IV period. Responsibilities also included touring the surveyed area with NM State Land Office's archeologist. Authored draft report.

Project Director: Survey of 44 acres in Las Huertas Valley, Sandoval County, October 2005 (1 day)

Supervised 1-person crew for Class III survey in the privately-owned Wild Horse Mesa Subdivision land, discovered 2 historical sites affiliated with early 20th century Hispanic/Euro-American ranching and Native American camping subsistence strategies. Authored final report.

Crew Chief: Survey of 3 MAPL Access Roads in Las Huertas Valley, Sandoval County, May-June 2005 (3 days). Supervised 1-person crew for a Class III survey of access roads leading to MAPL Segment 9 Loop, discovered 2 lithic scatter sites. Co-authored report (Addendum to MAPL survey report).

Project Director: Survey of US 64, MP 198 to MP 211, Rio Arriba County, July 2005 (5 days)

Supervised 1-person crew for Class III survey of 13 miles-long NMDOT right-of-way, no sites discovered. Authored final report.

Crew Member: Cochiti Fish Survey and Testing (fieldwork phase), February 2005 (4 days). Responsible for in-field site map production and ceramic analysis.

Crew Member: Chain of Craters Survey, December 2004 (1 day). Responsible for in-field map production of two sites.

Co-Crew Chief: Armijo – Socorro Survey, October 2004 (15 days of which 5 days as supervisor).

Supervised a 2-person crew for a Class III survey, responsible for in-field site form preparation, site map production, and ceramic analysis. Co-authored final report.

Crew Member: Mesa Portales Survey, September – October 2004 (4 days)

Class III survey, responsible for in-field site form preparation, site map production, and ceramic analysis.

Crew Member: MAPL survey, April – June 2004 (45 days).

Class III survey, responsible for in-field site map production, and ceramic analysis.

Crew Chief: Jesus Canyon Survey, April 2004 (5 days).

Supervised a 3-person crew in the Jesus Canyon area. Responsible for site form preparation, site map production and in-field ceramic analysis.

Archeological Monitoring, Testing and Data Recovery (OCA)

Co-Principal Investigator: Evaluation of West Dry Lake Pueblo, LA 104846, Dec. 2020

Co-Principal Investigator: Damage assessment at LA 29999, White Sands Missile Range, Dec. 2018

Co-Principal Investigator: Evaluation of 5 Sites at Davies Tank area of White Sands Missile Range, December 2017

Co-Principal Investigator: Damage Assessment of Cultural Resources at the Orogrande Range Camp, White Sands Missile Range, December 2018

Co-Principal Investigator: Damage Assessment of Cultural Resources at the Jarilla Site, LA 37470, White Sands Missile Range, January- February 2017

Co-Principal Investigator: Implementation of protective measures and evaluation of 36 sites along tank trails on White Sands Missile Range, January- February 2016

Co-Principal Investigator: Evaluation of 8 Sites on White Sands Missile Range, November-December 2015

Co-Principal Investigator: Evaluation of the Jarilla Site, LA 37470, White Sands Missile Range. April 2015

Co-Principal Investigator: Evaluation of 11 Sites on White Sands Missile Range (WSMR), Option Year One. Nov-Dec. 2014 and Jan 2015

Co-Principal Investigator: WSMR 10 Sites Evaluations. May 2014

Field Director: MAPL WEP III Construction Monitoring August-November 2013

Project Director: Data Recovery at Three Sites on White Sands Missile Range. 50 days in 2012/2013.

Crew Chief/Project Director. Testing for MAPL WEP III project.in McKinley County. 5 days/October 2012.

Project Director: Archeological data recovery at Three Sites at White Sands Missile Range, Otero County, NM, June-July 2012 and January – February 2013.

Project Director: Archeological data recovery at Guadalupe Ridge, Lincoln National Forest, Eddy County, NM, April 2012

Project Director: Archeological test excavations at Alt Shist area, WSMR, NM, April 2012

Project Director: Archeological monitoring of road construction at LA 125752 in Nineteen Canyon, Luna Co., NM, February 2012.

Project Director: Archeological monitoring of Mining Exploration in the Star Lake Area, McKinley Co. NM. November 2011 - February 2012.

Project Director: Archeological monitoring for Jeanette Stromberg Hall, Bernalillo Co., NM. September – October 2011.

Project Director: Data Recovery at Five Sites on White Sands Missile Range. 10 days in July 2011.

Project Director/Crew Chief: HV 1-3 Data Recovery project at 11 sites in the Boot Heel of New Mexico. Hidalgo County, October-November 2008.

Project Director: Data Recovery at LA 158640 and LA 158642 in Rio Rancho, Sandoval County, New Mexico. August-September and November 2008.

Project Director/Crew Chief: JV 1-3 Data Recovery project at LA 85760 and LA 159820, Santa Teresa Station, Dona Ana County, New Mexico. August 2008.

Project Director/Crew Chief: Data Recovery at LA 125753, Nineteen Canyon, Luna County, New Mexico, July-August 2008.

Project Director/Crew Chief: Data Recovery at three sites along US-Mexico border in Luna County, New Mexico, July-August 2008.

Site Director/Crew Chief: MAPL Data Recovery. Supervised 3 to 5-person crews for excavations of Archaic and Puebloan sites along 5 segments of MAPL pipeline construction in southeastern, north-central and northwestern New Mexico. May-November 2006.

Crew Chief: Data Recovery at LA 134636 on the West Mesa of Albuquerque, Bernalillo County, New Mexico, February 2006, (6 days). Supervised a 4-person crew for an excavation of a Pueblo IV period Anasazi field house facility. Authored both preliminary and final report.

Crew Chief: Testing at 21 Sites along 4 MAPL Segments, August-September 2005 (20 days)

Supervised a 4-person crew for auger testing at 21 sites along MAPL Pipeline. The investigated sites are affiliated with Archaic, Formative and historical Native American cultures. Co-authored preliminary report.

Project Director: Cochiti Fish Survey and Testing (mapping and reporting phase), April 2005 (1 day). Supervised a 1-person crew for mapping 6 sites along the Fishing Pier Access Road of the Tetilla Peak Recreation Area on the east bank of Cochiti Lake. Authored Data Recovery plan for additional excavation of a pit structure discovered during the testing phase.

Crew Chief: NMARNG Camel Tracks Data Recovery, Phase 2. October - November. 2004 (14 days)

Supervised alternately a 2 to 3-person crew for excavations at 3 archaeological sites in the Camel Tracks Training Area on La Bajada Mesa. These sites are typically affiliated with Pueblo IV period Anasazi farming subsistence strategies. Also participated in ceramic analysis, report writing and reported the results of excavations in a paper and poster presentation at Pecos Conference in White Rock, NM.

Crew Chief: Alamogordo Flood Control Project, June – August 2004, (57 days)

Supervised alternately a 3 to 5-person crew during an excavation of an Early Mesilla to El Paso phase site within Alamogordo city limits. Responsibilities also included performing ceramic analysis and participation in report writing.

Crew Member: Sewer and Waterline Construction, North Valley, Albuquerque. January 2004 (8 days)

Participated in excavations of a historic campo santo on Alameda Boulevard in Albuquerque. Responsibilities also included performing ceramic analysis and writing a ceramic chapter.

Crew Member: Alameda School Data Recovery, January 2004 (2 days) Participated in data recovery program at Pueblo IV Anasazi village site LA 421. Responsibilities also included performing the ceramic analysis and writing a ceramic chapter. Co-authored paper reporting the results of excavations at Pecos Conference in White Rock, New Mexico.

Crew Chief: NMARNG Camel Tracks Data Recovery, Phase 1, August-September 2003

Supervised a 4-person crew during excavations at 15 sites in the Camel Tracks Training Area on La Bajada Mesa. These sites are affiliated with Pueblo IV period Anasazi field houses and dry-land farming and Archaic hunting blinds subsistence strategies.

Ceramic Analysis Projects (OCA)

- 2017 Analysis and write-up of ceramics from 36 sites from site evaluation project on WSMR
- 2017 Analysis and write-up of ceramics from the Jarilla Site on WSMR
- 2016 Analysis and write-up of ceramics from 8 sites from data recovery on WSMR
- 2014 Analysis and write-up of ceramics from 20+ sites from MAPL WEP III Excavations.
- 2012 Analysis and write-up of ceramics from Alameda School Site, LA 421 in ABQ.
- 2011 Analyzed 180 prehistoric ceramics from Kozlowski's Trading Post, Pecos Natl. Hist. Park
- 2010 Supervised 1-person ceramic analysis/write-up for excavations at CNM Rio Rancho campus
- 2009 Supervised 1-person ceramic analysis/write-up for 3-sites Data Recovery in Luna County, NM
- 2009 Supervised 1-person ceramic analysis and write-up for JV1-3 Data Recovery near Santa Teresa, New Mexico, 2 excavated sites
- 2009 Supervised 1-person ceramic analysis and write-up for HV1-3 Data Recovery in Boot Heel of New Mexico, 11 excavated sites
- 2008 Analyzed ceramics from the Leone Bluff site 5LA 1211 at Trinidad Reservoir, Los Animas Co. CO
- 2007 Supervised 2-person ceramic analysis team for the MAPL Data Recovery project which included ceramic data from 24 sites across New Mexico.
- 2006 Analyzed Rio Grande Glazewares, Puname, Tewa, Northeast Keres, Acoma and Zuni wares from the Area D of LA 50240 on Alameda Boulevard, Albuquerque, NM (January-February).
- 2005 Analyzed Rio Grande Glazewares Biscuit Wares, carbon paint and mineral paint B/W wares from the Phase 2 Camel Tracks Data Recovery Project, Santa Fe County, NM (December).
- 2004 Analyzed Rio Grande Glazewares from the Alameda School Site Excavation Project, Albuquerque, NM (February-March).
- 2004 Analyzed El Paso Brownwares, Jornada Brownwares, Mimbres Whitewares and Three Rivers Redwares from the Data Recovery in Alamogordo Project, NM (October).
- 2003 Analyzed Rio Grande Glazewares Biscuit Wares, carbon paint B/W and mineral paint B/W wares from the Phase 1 Camel Tracks Data Recovery Project, Santa Fe County, NM (November-December).
- 2003 Analyzed Cibola Whitewares, Navajo Plain, and Zuni Matte Paint ceramics from the Fort Wingate Testing and Data Recovery Project, NM (May).

April 2005 Cibola Research Consultants

Corrales, New Mexico

Crew Chief: Double H Ranch Survey, Catron and Socorro counties, May-June 2005 (10 days). Supervised a 1-person crew for a Class II survey in the Datil Mountains, discovered 22 sites affiliated with Archaic, and Formative period and four 1930s Navajo sites with standing lean-tos. Senior author of the final report.

October 2002

HRA, Inc.

Las Vegas, Nevada

Crew Member: Davis Dam Survey, Laughlin, Nevada, October 2002 (5 days)

Class III survey on the west side of Colorado River in Laughlin, Nevada. Responsibilities included site map production and in-field ceramic analysis.

Surveys (SRI, Tucson, AZ)

Crew Chief: Survey in the Long House Valley, Arizona, February-March 2002 (2 days)

Supervised a 1-person crew for a Class III survey of pipe replacement sections in the Long House Valley. Responsibilities included identification of features and in-field ceramic analysis.

Crew Chief: Houghton Road Survey, Tucson, Pima County, Arizona, February 2002 (2 days).

Individually performed a Class III survey along both sides of Houghton Road. Two sites were discovered. One is a historic site related to CCC camps' communal activities and the other is a Sedentary period Hohokam pit house village. Responsibilities included negotiation of future construction work with Tucson Electric Power Company and in-field ceramic analysis. Senior author of final report.

Crew Chief: Archaeological survey of the Ak Chin site (TO:GA:6 [TO]) and the neighboring region, April-May 2001 (3 days). Supervised 4-person crew for a Class III survey on the Tohono O'odham Nation, Arizona. Documented 6 Formative and historical sites with numerous human cremations exposed on the surface. Responsibilities also included in-field site form preparation, ceramic analysis and co-authored report preparation.

Crew Chief: Pantano Wash Bank Protection Survey, Pima County, AZ, September 2000 (2 days)

Supervised a 1-person crew for a Class III survey along both banks of Pantano Wash in Tucson. No sites were discovered. Responsibilities included in-field ceramic analysis and co-authored report preparation.

Crew Chief: Tanque Verde Bank Protection at Castle Rocks, Pima County, AZ, September 2000 (2 days)

Supervised 1-person crew for a Class III survey along both banks of Tanque Verde Wash in Tucson. No sites discovered. Responsibilities also included in-field ceramic analysis and report preparation.

Crew Member: Yavapai Ranch Survey, Yavapai County, Arizona, May-June 2000 (25 days)

Crew Member: Archeological Survey in the Baboquivari Mountains, Southern Arizona (8 days in 1999).

Crew Member/Crew Chief: Survey of Luke Air Force Range, Arizona, April-May 2000 (15 days).

Crew: Archeological survey at Yuma Proving Ground, Arizona. June-September 1999 (55 days)

Archeological Testing and Data Recovery (SRI, Tucson, AZ)

Crew Chief: Fence Lake Data Recovery, July-September 2002, (47 days)

Supervised a 3-person crew during excavations of five sites inside proposed Fence Lake mine, New Mexico. These sites are single-room field houses affiliated with Pueblo I - Pueblo II period Anasazi or Basketmaker II period occupation. Responsibilities also included coordinating the work of backhoe operator, the collection of material for archeomagnetic dates and participating in report writing.

Crew Chief: Data Recovery at Long House Valley, Arizona, March-April 2002 (17 days)

Crew Chief: Marana Testing Project, Pima County, Arizona, March-April 2002 (15 days)

Crew Chief: Leasburg State Park Testing, Dona Ana County, New Mexico, March 2002 (5 days)

Crew Chief: Canoa Ranch Testing/Data Recovery, Pima County, AZ, January-February 2002 (20 days)

Crew Chief: Fence Lake Testing and Data Recovery, near St. Johns AZ, November 2001 (20 days)

Crew Chief: Pantano Wash Testing, Pima County, Arizona, May 2001 (3 days)

Crew Chief: Data Recovery at the Ak Chin Site, TO:GA:6 (TO), Gu Achi District of the Tohono O'odham Nation, Arizona, March-April 2001 (20 days).

Crew Member: Testing at the Mescal Wash site at Marsh Station Road, Interstate 10, Arizona, June-August 2000 (30 days).

Crew Member: Data Recovery at State Route 188, Arizona, September 1999- March 2000 (105 days)

Ceramic Analysis Projects (SRI, Tucson, AZ)

- 2002 Analyzed Patayan Buffwares, Hohokam Buffwares, and Tohono O'odham ceramics collected during Luke Air Force Range Survey Project, Arizona (May).
- 2002 Analyzed Tusayan White/Graywares from the Questar Pipeline Monitoring and Survey Project, Long House Valley, Arizona (April).
- 2002 Analyzed Tucson Basin Brownwares and Hohokam Buffwares from the Marana Testing Project, Pima County, Arizona (April).
- 2002 Analyzed Mimbres Whitewares, Mogollon Brownwares, and Jornada Mogollon ceramics from the Leasburg State Park Testing Project, Dona Ana County, NM (March).

- 2002 Analyzed Tucson Basin Brownwares from the Canoa Ranch Data Recovery Project, Pima County, Arizona (February).
- 2002 Performed preliminary analysis of Cibola White/Graywares and Little Colorado White/Graywares from Phase 1 of Fence Lake Data Recovery on the New Mexico side of the Transportation Corridor (January).
- 2001 Analyzed Tucson Basin Brownwares and Hohokam Buffwares from the Pantano Wash Testing Project, Pima County, Arizona (May).
- 2001 Analyzed Tothono O'odham ceramics, Patayan Buffwares, Hohokam Buffwares, Tucson Basin Brownwares, and other Papaguerian ceramics from the Ak Chin site Data Recovery Project (May-June).
- 2000 Analyzed Roosevelt Redwares, Tucson Basin Brownwares, Hohokam Buffwares from State Route 188 Data Recovery Project, Tonto National Forest, Arizona (July).
- 2000 In-field analysis of Prescott Graywares, St. Francisco Mountain Graywares during the Yavapai Survey Project, Yavapai County, Arizona (May-June).

Oct. 1996-May 1999, Department of Anthropology, Wichita State University, Wichita, KS

Surveys (Wichita State University, Wichita, KS)

Crew Chief: Survey of a Great Bend culture site, Arkansas City, KS, October-November 1998 (4 days)
Supervised a 3-person crew survey within the Arkansas City limits.

Crew Chief: Surveys of two sites in Floyd County, Texas, multiple surveys from 1998 to 1999, (4 days)
Supervised a 1-person crew for surveying two archaic sites in Blanco Canyon.

Crew Chief: Survey of the historic Jimmy Owens site (Francisco Vasquez de Coronado camp site), Texas, multiple surveys from 1998 to 1999 (4 days). Supervised alternately 5 to 8-person crew of a 1-mile long Coronado's encampment within a private land in Blanco Canyon, Texas.

Crew Member: Survey of the historic Jimmy Owens site, TX, multiple surveys from 1996 to 1997 (2 days)

Crew Member: City Archaeologist Office surveys in Wichita, KS, multiple surveys 1996 to 1998 (5 days)

Archaeological Testing and Data Recovery (WSU)

Crew Chief: Archaeological testing at the Jimmy Owens site (Francisco Vasquez de Coronado camp site, A. D. 1541), Blanco Canyon, Texas, multiple trips from 1998 to 1999 (24 days).

Crew Member: Testing at the Jimmy Owens site, Texas, multiple trips from 1996-1998 (35 days)

Ceramic Analysis Projects (Wichita State University, KS)

1999 Analyzed Hohokam Buffwares and Tucson Basin Brownware ceramic collection donated to Wichita State University and presented results as an MA thesis project.

1998 Analyzed plainwares from Waconda Lake area, north-central Kansas and presented results of the analysis at the 56th Plains Conference in Bismarck, ND.

1998-9 Laboratory Supervisor: Supervised laboratory student assistants at the Department of Anthropology.

- 2015 (third author with Banks Leonard, Robin Cordero, Pamela McBride, and Kate E. Zeigler) *The Evaluation of D-5 (LA 105593): Intensive Late Formative Occupation on the East Flank of the San Andres Mountains*. Poster presented at NMAC conference, Albuquerque.
- 2015 (senior author with Timothy McEnany and Evan Sternberg) *The Jarilla Site, LA 37470: Preliminary Results of Survey and Test Excavations*. Paper- 19th Biennial Jornada Mogollon Conference, El Paso.
- 2015 (co-author with Kate E. Zeigler) *Geologic Sourcing of Lithic Artifacts from 47 Sites in Southern White Sands Missile Range, New Mexico*. Paper- 19th Biennial Jornada Mogollon Conference.
- 2014 (third author with F. Scott Worman and Patrick Hogan) *Burned and Blown Away: Hearth-mound Sites at White Sands National Monument*. Paper -79th annual meeting of the Society for American Archaeology, Austin, Texas.
- 2013 *Huesos Quemados and Other Pitstructure Sites near the Jarilla Mountains: Preliminary Results of Excavations in Southern Tularosa Basin, New Mexico* paper presented at Jornada Mogollon conf.
- 2013 (co-author with Robin M. Cordero) *Huesos Quemados Site: Lagomorph Update*, Paper -18th Biennial Jornada Mogollon conference, El Paso.
- 2012 (third author with Anthony Koehl and Peggy A. Gerow) *Old School: A Bioarchaeological Recovery at Central New Mexico Community College*. Paper presented at the Mountain Desert and Coastal Forensic Anthropologists. Southwest Regional Forensic Anthropology Conference.
- 2012 (senior author with Patrick Hogan and F. Scott Worman) *New Model for Prehistoric Hearth Mounds Distribution at White Sands National Monument*. Paper presented at Tularosa Basin Conference, Tularosa, NM.
- 2011 (senior author with Patrick Hogan, and F. Scott Worman) *Hearth Mounds at White Sands National Monument Reveal A Pattern of Prehistoric Sites' Age and Their Distribution Throughout the Landscape*. Paper presented at the 17th Biennial Jornada Mogollon Conference in El Paso
- 2011 (third author with F. Scott Worman and Patrick Hogan) *The Geoarchaeology of Hearth-Mound Sites at White Sands National Monument*. Paper presented at the 17th Biennial Jornada Mogollon Conference in El Paso, TX.
- 2010 (co-author with Chris Turnbow) *Late Quaternary Lakes and Archaic Land Use in the Boot Heel of the Southwest New Mexico*. Poster presented at 16th Biennial Mogollon Conference, Las Cruces.
- 2010 (senior author with Leslie Cohen) *Excavations in the Carrizalillo Hills Region of Southwestern New Mexico Reveal Protohistoric Mobile Group Camps*. Paper presented at NMAC conference on Indigenous Mobile Groups of the Protohistoric and Historic Periods, Albuquerque.
- 2010 (senior author with Richard Chapman) *Archeology of the Eastern Boot Heel of New Mexico: A Preview of Recent OCA Survey Data*, paper, 16th Biennial Mogollon Conference, Las Cruces.
- 2010 (co-author with David Holtkamp) *Groundstone Analysis Reveals Demographic Fluctuation Trends at the Chamisal Site (LA 22765)*. Research Results from Kit Sargeant's 1980s Excavations at a Classic Period Pueblo in Los Ranchos de Albuquerque, New Mexico. poster presented at Pecos Conference, Silverton, Colorado.
- 2010 (co-author with Leslie Cohen) *The Border Fence Project: Summary of Archeological Research in Southwestern New Mexico*, poster presented at Pecos Conference, Silverton, Colorado.
- 2010 (co-author with Kate Zeigler, Chris Hughes, and Patrick Hogan) *Native American Lithic Procurement Patterns and Sites in the Boot Heel of Southwestern New Mexico*. Poster presented at the New Mexico Geologic Society conference in Socorro, NM.

- 2009 (co-author with Robin Cordero and Scott Worman) *New Research on Classic Period Ancestral Pueblo Agricultural Sites on the West Mesa of Albuquerque*. Paper, NMAC Conference in ABQ.
- 2008 (co-author with Robin Cordero and David Holtkamp) *The Conejito Shelter (LA 155605): Results of Excavations at a Buried Late Archaic/En Medio Shelter in the Southeastern San Juan Basin*. Poster presented at Pecos Conference in Flagstaff.
- 2008 (senior author with Richard C. Chapman) *Following Nelson's Footsteps; Classic Period Land-use Patterns around Pueblo Blanco*. Power Point paper presentation for the San Juan Basin Archaeological Society at Casita Chamisa Bed and Breakfast, Los Ranchos De Albuquerque.
- 2007 (co-author with Patrick Hogan and Christopher A. Turnbow) *A Bag of Dirt*. A 6-months long archeological display for the Maxwell Museum of Anthropology. The display showed real artifacts recovered from a soil sample from a real-time excavation of a Basketmaker III-Pueblo I period pit structure from Santa Ana pueblo, New Mexico. Also illustrated rendering of the possible shape of the excavated pit structure during its prehistoric use.
- 2007 (senior author with Richard C. Chapman) *Classic Period Land-Use Patterns around Pueblo Blanco; Recent Archeological Survey in the Vicinity of Pueblo Blanco*. Paper presented at 2007 NMAC Galisteo Basin conference at University of New Mexico, Albuquerque.
- 2007 (co-author with Christopher A. Turnbow) *The Scorpion Site: An Early Dona Ana Settlement near Alamogordo, NM*, poster presented at 15th Biennial Jornada Mogollon Conference in El Paso, TX.
- 2007 (senior author with Robin Cordero, Scott Worman, and Ron Stauber) *New Research on Classic-Period Ancestral Pueblo Agricultural Sites on the West Mesa of Albuquerque*, poster presented at 70th Pecos Conference in Pecos, New Mexico
- 2007 (senior author with Richard C. Chapman and Ron Stauber) *In the Backyard of Pueblo Blanco: Evidence for Pueblo IV Landscape Use*, poster presented at 70th Pecos Conference at Pecos.
- 2007 (co-author with Christopher A. Turnbow) *The Scorpion Site: An Early Doña Ana Settlement near Alamogordo, NM*, poster presented at 70th Pecos Conference in Pecos, New Mexico
- 2006 (senior author with Peggy Gerow, Ron Stauber, and Adrienne Actis) *Early Pueblo IV Farmers on La Bajada Mesa*. Poster presented at NMAC symposium, Maxwell Museum, UNM.
- 2005 (co-author with Robert Estes, Pam MacBride, and William Brown) *Excavations at LA 421, Alameda Pueblo*. Paper presented at Pecos Conference, White Rock, New Mexico.
- 2005 (senior author with Peggy A. Gerow, Ron Stauber, and Adrienne Actis) *Early Pueblo IV Farmers on La Bajada Mesa*. Poster and paper presented at Pecos Conference, White Rock, New Mexico.
- 2002 (senior author with Jeffrey A. Homburg, Kurt Heidelberg, and Jeffrey H. Altschul) *Ceramics of the Papaguería: Inferences from Barry M. Goldwater Range East Tactical Survey*. Statistical Research, Inc. Poster presented at the Society for American Archaeology conference in Denver.
- 2001 (senior author with Jeffrey A. Homburg and Jeffrey H. Altschul) *Ceramic Artifacts from the Ak Chin Archaeological Project*. Statistical Research, Inc. Poster presented at the Gu Achi District's residents meeting on the Tohono O'odham Nation, Arizona.
- 1998 *Ceramic Remains Determine Geographical and Cultural Relationships*. Wichita State University, Paper presented at the 56th Annual Plains Conference in Bismarck.
- 1998 *Exploring Cultural Contexts for an Unprovenienced Ceramic Collection*. Paper presented at the 1st Lambda Alpha Symposium, Wichita State University.
- 1998 *Assigning Provenience to the Hohokam Culture Ceramic Remains*. Wichita State University, Paper and poster presented at Pecos Conference, Pecos, NM.

INVITED SPEECHES

- 2018 (senior author with Evan Sternberg) *The Pueblo Core Area of the Jornada Mogollon in Southern Tularosa Basin, New Mexico*. Paper presented as a guest speaker to the NMSU anthropology students in November).
- 2018 (senior author with Evan Sternberg and Thatcher A. Rogers) *New Evidence for Mimbres Integration into Jornada Villages along the San Andres Mountains of South-Central New Mexico*. paper presented at Albuquerque Archaeological Society November meeting).
- 2018 *New Evidence for Mimbres Integration into the Jornada Mogollon*. Paper presented to the Department of Anthropology graduate students, University of New Mexico, Albuquerque.

- 2018 *Archaeology of White Sands Missile Range: Breaking New Grounds on Research of the Jornada Mogollon in Southern Tularosa Basin, NM.* Paper Presented as a guest speaker at El Paso Museum of Archaeology Lecture Series, El Paso, Texas.
- 2018 (senior author with Evan Sternberg) *New Insights into the "Pueblo Core Area" of the Jornada Mogollon in Southern Tularosa Basin, New Mexico.* Paper presented as a guest speaker at Jornada Research Institute Lectures Series, Alamogordo, New Mexico.
- 2018 (senior author with Evan Sternberg) *Southern Tularosa Basin of New Mexico- the "Pueblo Core Area" of the Jornada Mogollon Culture.* Paper presented as a guest speaker at Friends of Tijeras Canyon Monthly Lectures, Tijeras, New Mexico.
- 2016 Recent Archaeological Discoveries in the Tularosa Basin, New Mexico. Paper presented as a guest speaker at New Mexico State University in Las Cruces, NM.
- 2013 *Huesos Quemados and Other Pitstructure Sites near the Jarilla Mountains: Preliminary Results of Excavations in Southern Tularosa Basin, New Mexico.* Paper presented as a guest speaker at White Sands Missile Range.
- 2013 *The Chamisal Site Archeological Project.* Paper presented as an invited speaker at ASNM meeting in Albuquerque.
- 2013 *Prehistoric and Historical Ceramics of the Chamisal Site.* Paper presented as an invited speaker at ASNM meeting in ABQ.

PROPOSALS, RESEARCH DESIGNS, AND DATA RECOVERY PLANS

- 2016 *Proposal to the City of Albuquerque for Archaeological Investigations at LA 12315, Singing Arrow Park, Bernalillo County, New Mexico.*
- 2016 *Proposal to Sandia Pueblo for La Madera Project: Fuels Reduction Archaeological Survey, Cibola National Forest, Bernalillo County, New Mexico.* OCA/UNM
- 2016 *Proposed Work Plan for Damage Assessment of Cultural Resources Impacted by Powerline Construction at LA 37470 and LA 38835, White Sands Missile Range, New Mexico.* OCA/UNM
- 2016 *Proposal to White Sands National Monument for Intensive Survey of Lake Lucero Site, LA 21162, Dona Ana County, New Mexico.* OCA/UNM
- 2015 (Co-author with Robert Dello-Russo) *Proposal for Archaeological Testing at the "Knob Hill Site", Sevilleta National Wildlife Refuge, New Mexico.* OCA/UNM
- 2015 (senior Author with Robert Dello-Russo) *Proposal to Gulf Coast Mining, LLC. for Data Recovery at LA 146645 near Orogrande, New Mexico.* OCA/UNM
- 2015 (senior Author with Robert Dello-Russo) *Proposal to Gulf Coast Mining, LLC. for Off-Site Survey as Mitigation for Damages to a Cultural Resource Site near Orogrande, New Mexico.* OCA/UNM
- 2015 *Work Plan for Re-Evaluation of Eight Sites and Implementation of Protective Measures at Archaeological Sites along the LADD Tank Trail, White Sands Missile Range, Otero and Dona Ana Counties, New Mexico.* OCA/UNM
- 2015 Scope of Work and Proposal: Evaluation of LA 37470 at Orogrande Area of White Sands Missile Range. OCA/UNM
- 2014 *Work Plan for Re-evaluation of Ten Sites in the Yucca Village Maneuver and Orogrande Training Area, White Sands Missile Range, Otero County, New Mexico.* OCA/UNM
- 2013 (3rd author with Patrick Hogan, Banks Leonard) *Work Plan for Archeological Data Recovery at LA 89554 and LA 101229 at Zumwalt Track, White Sands Missile Range, Socorro County, NM.* OCA
- 2011 (3rd author with Patrick Hogan, F. Scott Worman and Richard C. Chapman) *Research Design and Data Recovery Plan for Excavations at Eight Archaeological Sites on White Sands Missile Range, Otero County, New Mexico.* OCA/UNM
- 2010 (2nd author with Patrick Hogan and F. Scott Worman) *Research Design and Data Recovery Plan for Excavations at Three Low Confidence Sites, WSNM, Otero County, New Mexico.* OCA.
- 2009 (co-preparer) *Proposal to U.S.D.I. Bureau of Land Management for Archeological and Cultural Resource Services Located in the State of New Mexico, Oklahoma, Texas, and Kansas (Solicitation No. L10PS01655), Volumes 1-3.* OCA/UNM Proposal No. 185-1043. OCA/UNM. Project co-awarded to OCA plus 4 other firms.

- 2009 (co-preparer) *Proposal to New Mexico Department of Transportation for Archeological Data Recovery, U.S. 491 M.P. 15.3 to M.P. 46.* OCA/UNM Proposal No. 185-1038. Project co-awarded to OCA and SRI.
- 2006 *A Proposed Data Recovery Plan for LA 134636 on the West Mesa of Albuquerque, Bernalillo County, New Mexico.* OCA/UNM Report No. 185-871A.
- 2005 *A Proposed Data Recovery Plan for Two Sites at Cochiti Reservoir, Sandoval County, New Mexico.* OCA/UNM Report No.185-850B.

MEMBERSHIPS, GRANTS, AND AWARDS

- 2017 Jornada Research Institute -Member
- 2016 Academia.edu member.
- 2013-present Archaeological Society of New Mexico- member
- 2007-present Center for Desert Archaeology member
- 2004-present New Mexico Archaeological Council member
- 2007 Awarded \$400 New Mexico Archaeological Council grant to fund analysis of faunal remains from the Chamisal Site, LA 22765
- 1996 - 2000 Member of Lambda Alpha Society, National Honorary Society for Anthropology, Wichita State University, Wichita, Kansas.
- 1998 Awarded special Graduate School Scholarship from Wichita State University to present a paper at the 56th Plains Conference in Bismarck, North Dakota.
- 1996 - 1999 Awarded Graduate Assistantship for a Lead Student Assistant position at Office of Disability Services, Wichita State University, Wichita, Kansas.

- 1996 Received a grant from Fulbright Scholars Program to fund a high school students' newsletter, Nitra, Slovak Republic.
- 1994 Awarded a grant from private individual for funding high school students' sports activities, Nitra, Slovak Republic.

TEACHING EXPERIENCE

- 1994-6 High School English Teacher, Piaristicke Gymnazium, Nitra, Slovak Republic.
- 1993-4 Elementary School English Teacher, St. Svorad and Benedict Elementary School, Nitra, Slovak Republic.
- 1993 Elementary School English Teacher, St. Gorazd Elementary School, Nitra, Slovak Republic.

LICENSES AND WORKSHOPS

- *Section 106: Principles and Practice* – A Cultural resource management workshop lectured by Lynn Sebastian of the SRI Foundation (November 2009)
- *Set In Stone*. Attended a binational workshop on petroglyph management in the United States and Mexico (Organized by the University of New Mexico, Albuquerque, September 2007)
- Attended NMAC Dineta Workshop in Farmington (October 2007)
- Attended NMAC Historic Artifact Workshop in Santa Fe, NM (November 2005)
- Attended BLM Workshop on Sand Dunes of Southern New Mexico (March 2005)
- NRCS Technical Service Provider - Trained for work on Natural Resources Conservation Service projects, United States Department of Agriculture.

SPECIAL SKILLS

- Artifact and feature illustrator
- Fluent in Slovak, Czech, basic knowledge of Spanish, German and Russian languages

RESEARCH INTERESTS

- Ceramics of the American Southwest, Classic period Ancestral Pueblo, Mogollon, and Jornada Mogollon archeology, prehistoric migration and agriculture and southwestern rock art.
